## **Walled Lake Tributes Cassis' Efforts**

WALLED LAKE—City officials in Walled Lake presented Senator Nancy Cassis, R-  
Novi, a tribute to her service during a council meeting last week.

“This tribute from my friends in Walled Lake means a great deal to me,” Cassis said after the presentation last Tues. evening. “My number one priority has always been to serve my constituents. It was my mission as a State Representative, and it continues to be my mission here in the Senate.

“Throughout my years in public service, I have awarded tributes from the State of Michigan to hundreds of citizens who have excelled in all areas. I have never been on the receiving end, so this is a tremendous honor.”

Walled Lake Mayor William Roberts was eager to present the tribute to Cassis, adding that the honor was equally his.

“She’s done so much for us here in Walled Lake, this tribute is the least we can do”, said Mayor Roberts of Cassis. “I’ve known Nancy since she was on the Novi city council, and I have no doubt she’ll be a great senator. She works hard and reaches across party lines to serve the community.”
